From: CRE Board of Directors

RE: Postings to the CRE Website

A discussion was held last week to address what to allow to be posted on the CRE HOA Website Events page. Options discussed were to:

1) Only allow HOA business such as Annual and Quarterly Meetings as an example, or

2) Allow the following events and event details to be posted to the web site

- Egg hunt
- holiday lights hayrides
- Mother's Day event
- Father's Day event
- Basketball/Soccer game,
- Potluck dinner/Cookbook,
- Election Day reminders
- Daylight Savings begin/end reminders
- National Night Out
- Spring & Fall Garage Sales
- Independence Day-4th of July in the Hood
- Movie Night
- Annual & Quarterly Homeowners Meeting
- Stars & Stripes Rotary Flag Program

Please be advised that the #2 option was approved / resolved by majority vote of the CRE HOA Board of Directors on 04-22-2022.

You are free to post event details (time, place etc.) on the CRE HOA website. You may forward your postings to the Communications Committee to be posted by our webmaster. Please allow at least a 72-hour turnaround time for postings. Thank you.

Please note: this approval is not meant as an HOA endorsement of any of the above events or that HOA funds are approved to support any of the above listings unless separately and/or previously approved for funding. The Social & Events Committee, as well as the Communications Committee, must still submit separate yearly budgets in December for approval by the Board of Directors.
