**RE: POSTPONING THE CC&R's VOTE**

Greetings CRE Homeowners!

Our recent email regarding the proposed changes to our outdated CC&R's has generated much interest and dialogue. As a result, we are **POSTPONING THE VOTE** on the changes to the CC&R's until we have answers and have made any necessary clarifications. All questions and concerns received to date that the Board can't answer have been forwarded to our HOA attorney.

Should you have changes or additions you'd like to see, please contact us immediately via email and/or contact the entire board via our community website at:

<https://www.chisholmranchestateshoa.com/contact-us/board-of-directors.aspx>.

Again, as a reference, our current CC&R's may be found at:

<https://www.chisholmranchestateshoa.com/documents/governing-documents.aspx>.

An HOA isn't effective unless homeowners participate and engage. We take your comments and suggestions as a good sign that our neighborhood is vibrant and healthy. We will communicate again when we have answers from legal counsel.

Sincerely,

*Robbie Steed*
