

December 7, 2022

Dear Homeowner:

The TxDOT Outer Loop Project has the real possibility of adversely affecting our community. Because of this, an online meeting was organized for Monday, December 5, 2022 at 3:00 p.m. Several people from the Outer Loop Project Teams were online to answer questions from Chisholm Ranch Estates Homeowners. Roughly one third of our homeowners were able to attend. It's understandable that many of you may have had other commitments that prevented you from attending. So, below is a link to an MP3 audio file of the meeting in its entirety.

The meeting runs about an hour and a half. If you have any questions that weren't answered in this meeting, please do pose them via the website at:

<https://www.chisholmranchestateshoa.com/contact-us.aspx>

Remember, all options being discussed are still in the "study" phase of the project. We can't stop the Outer Loop from happening due to the rate of growth in the area. However, we do have an opportunity to help them choose an option that is the least detrimental to our community and our property values. **Nothing has been set in stone yet. They are still considering all the options previously presented.** That is why it is vitally important that ALL our homeowners let them know NOW that we strongly object to their Option 1 (the option that utilizes FM 548), which would decimate several homes in the community. The more people who object, the stronger our case is. To date, Rockwall County has only received 10 letters of objection from Chisholm Ranch Estates homeowners!

The deadlines are fast approaching. If you haven't already, please contact each county and let them know your concerns and preference at the following links:

For Rockwall County: <https://www.surveymonkey.com/r/RCOL>. **Due by Dec. 15<sup>th</sup>**

For Kaufman County: <https://kaufmanouterloop.com/> **Due by Dec. 20<sup>th</sup>**

You may also email and/or mail them directly using the addresses from the template letters that were provided to you in a previous communication.

Thank you.
